Forecast for Sunday 18 Apr 2021

Weather: Dry with clear spells during the early hours of Sunday, with a touch of grass frost and some short lived shallow mist and fog patches in the valleys around dawn. It will stay dry throughout the day, with areas of high cloud making sunshine hazy at times, and with some fair weather cloud developing late morning onwards. Cloud is expected to remain clear of the summits and it should feel warm in the sunshine. Remaining dry with clear spells through the evening.

Chance of cloud free mountain/hill tops above 600m: 100% with cloud staying clear of the summits.

Visibility: Some locally poor visibilities are possible first thing in any shallow valley fog, but otherwise visibility will be excellent with distant hills and landmarks visible.
